Hi again, Eric

If these dates don't work let me know. I'm working off the current discovery cut-off so we do not have too much time. We are willing to stipulate to push out the discovery cut-off to accommodate the expert discovery after the board meeting.

**Subject:** Sostek v. County et al. SBD-00021 - Rebuttal Expert Disclosures

Good morning, Eric,

Attached please find Defendants' rebuttal disclosure. The rebuttal attachment is attached separately to this email. I am working remotely and do not have access to the program to combine these documents.

I believe we discussed pushing off expert discovery until after the current board meeting, but we have not actually filed the stipulation. If you still want to extend the expert discovery until after the current board meeting let me know. As I recall, you were also going to see about getting a lower demand as the last best and final.
